COLLEGE BODY OFFICIALLY WELCOMES ENTERING CLASS

ANNUAL GATHERING IN SILLIMAN HALL FRIDAY NIGHT THE BEST IN YEARS. PRESIDENT STRYKER, PROFESSORS CHASE AND FLIPPIN REPRESENT THE FACULTY.

QUARTET ADDS HARMONY

Two hundred undergraduates, card-indexed and labelled to aid recognition, gathered in the Y. M. C. A. last Friday evening for the annual reception to the Freshman class. Every man was full of "pep" and good-fellowship and ready to meet his fellows half way in forming acquaintances. The first half-hour was given up to hand-shaking, back-slapping, and the various other hearty greetings in a college man's repertoire.

In response to calls and cheers for "Trot," Professor Chase first spoke in behalf of the faculty, after a few songs had been rendered. He pointed out the fact that the program of undergraduate activities is constantly undergoing healthy changes. The Charlatans were mentioned as an example. "I should like to see an atmosphere on the Hill absolutely alive with electric interest and enthusiasm."

Songs and Speeches

The Glee Club quartet took up the good work of the entertainment, edification and instruction of the company by singing a number of songs in a very excellent manner. Mr. Woolnough's bass gruntings especially delighted the bunch.

J. Jones '17 then discussed the foot ball situation in behalf of Captain Dayton, who was unable to be present. He got hold of his audience with a display of Clinton humor and then explained to the freshmen the spirit of football as it is played at Hamilton. " 'Pete' wants men to go out and work for themselves and for the college," he concluded. The College Quartet sang, "Sleep, Kentucky Babe," and came back for two encores.

Looking Ahead

Joe Behan spoke next for baseball. He had his audience with him when he said, "If a man has any common sense he doesn't need any advice, and if he hasn't he won't take any." The only exception made was when he urged all the baseball men to "bohn" up during the winter, so that they would be clear for the spring activities.

Brockway pleaded for a serious effort on the part of the track candi-

PHI BETA KAPPA ELECTS

The Hamilton chapter of Phi Beta Kappa has elected the following Seniors to constitute the first group of "key" men from 1917: James Marshall Campbell of Warsaw; Ernest Stacey Griffith of Utica; Edwin Roberts Moore of Oneonta; Stanley Stewart Saunders of Clinton; and Channcey Shaffer Truax of New York.

CLUBS TO START WORK SOON, SAY LEADERS

While Management Plans to Invade New Territory with the Troubadours. Quartet Still Intact.

The Musical Clubs this year, tho not planning to take such an extensive trip as last year, are ready for a large program of novelty and of excellent quality. Promising material is already cropping out in the Freshman class for both Glee and Instrumental clubs, and both leaders expect that there will be more real talent represented than for many years.

Much New Music

Leader Weed of the Glee club is in communication with a New York music firm and already has a number of unusually good pieces under consideration. Leader Orr of the Instrumental clubs promises the college a good deal of Hawaian music this year which will be an "added attraction." Ukuleles and flutes will figure prominently on the clubs.

Northern Trip Probable

The clubs hope to get up into the northern part of the state this year, according to the announcement of Manager Donoghue, but will not repeat the long western trip which was found so tiring last year. New York will be visited as usual and the cus-

COLLEGE DINNER THURSDAY

The first college dinner of the year is scheduled for Thursday night at 6.15. Commons Hall will resound with the cheers and songs from the student body, also with selections by the quartet and possibly the band. "Pete" Reynolds will speak. The football team leaves for New York Friday noon.

TRUSTEES MEET SATURDAY

The regular fall Trustee Meeting will be held on Saturday, October 7, instead of on October 14, as announced in the College Catalog. It is probable that provision will be made at the meeting for a course whereby students may enter college with but two years of Latin and not have to take any in college. Another point which may be discussed is the complete furnishing of the dormitories, a project much favored as a great aid to new students, and which will eliminate trouble in lodging the Summer School students and will give assurance of better accommodations for the alumni during Commencement Week.

BOY PIONEERS IN ROCHESTER SCHOOLS

Summer Sees Still Further Growth for Griffith's National Movement. New Book Anounced.

Under the untiring efforts of the Executive Committee during the summer, the extension work of the Boy Pioneers of America has been pushed vigorously. The distinct triumph during vacation for "Ernie" Griffith '17, the founder of the "younger scout" club, and his co-workers was the winning over of the Rochester school system, with 10 troops and 300 boys. Two summer camps at Montrose, Pa., and Oneonta, N. Y., were held with about 20 boys present at each, and a third camp for cetral New York was prevented by the infantile paralysis epidemic. A book dealing with the Pioneers was another marked achievement.

Griffith's New Book

This book, by Griffith, with the helpful criticism of Dr. Wood and Prof. Chase, will be used for publicity work. It deals with the organization's purpose, methods, and some of its problems. It is not primarily for the boys themselves but for the leaders of the troops, the parents of the boys, and men who might be interested to help the Pioneers financially. Such chapters as Organization, Problems of the Pioneer Master, How to Keep Interest Alive Among the Boys, What of the Boy From a Psychological Standpoint, go to make up the 120 pages. 500 copies will be published by the middle of November.

The "Pioneer Scout," the official paper of the organization, under Mr Burlingham's able hand, has made

'STOP THIEF' THE CRY FOR CHARLATANS

Snappy Farce Picked by President Baumer A Big Broadway Hit. One-Act Play Also Planned

MAY TAKE NEW YORK TRIP

Under the energetic leadership of President Baumer '17, who has been studying the drama under Prof. Baker of Harvard during the summer, the Charlatans this year expect to raise the dramatic standard of the club to a level even higher than heretofore aspired. It is Baumer's plan that work of higher dramatic and artistic quality shall be offered. The main play of the year will be "Stop Thief," the Broadway comedy success of 1913 and now for the first time released to stock and amateur production. Several playlets will also be produced later in the year, possibly at Commencement.

Work to be Extended

Mr. Baumer hopes that under the plans which he has formulated the Charlatans will become a more definite and useful organization thru which its members may gain detailed knowledge of the drama. Altho in choosing "Stop Thief" President Baumer has followed former traditions in picking Broadway successes he expects to lead the club into the production of some other dramatic works of higher merit and artistic value. Such playlets as are produced by the Washington Square Players of New York and the Hasty Pudding Club of Harvard will form the center of activity for members of the Charlatans who do not participate in the main play. Alec Woollcott '09 has offered his assistance in securing such plays.

New York Trip Planned

The plans of the club are not yet definitely decided upon, but with the expected improved quality under the new regime the management hopes to be able to extend the radius of the club's appearances. Both President Baumer and Manager Flesh are working diligently for a Washington's Birthday trip to include New York, Tarrytown and Mamaroneck.

FROSH NUMBER 90

Three new freshmen have arrived, E. Sheldon Ingersoll, Buffalo, Winton C. Ruff, Margaretville, and Ralph E. Atwood, Ulster, Pa. This raises the membership of the freshman class to 90 men.

BASKETBALL TEAMS LOOK PROMISING

Incoming Class Will Reinforce Fraternity Fives.

SEASON STARTS SOON

Basketball teams upon the Hill will be greatly changed this year, since many of the best players of last season's teams have graduated, but a number of the freshmen are claimed to be good players, with a few stars among them.

Sigma Phi has lost VanPope and Page, but has Kennedy and two freshman players.

Stone only is left of last year's Alpha Delt team. Men expected to provide good material are Watson, Romer, Sandblom, Brandt and Cooper.

The Psi Upsilon team has a good start, having played together for two years.

Chi Psi has lost Hill and the two Whitcombes; leaving Root, Lyon and McLean with two frosh, Leckner and Mahnken.

The Dekes have a promising season from present indications, only two positions being empty, those of McLouth and Aldrich. Welsh and a freshman will fill these vacancies.

Griffiffith and Groves have graduated from the Delta U. team, but Pape will probably play forward with Lowell and Peck in other positions. Mengerink '20 is a promising cage-artist.

The Theta Delt team retains only Luce, Morrow and Pendleton, being minus Getman, Paige and the two Gows. Freshman players are MacLachlan and MacEwan.

E. L. S. has the best outlook of all for the season from the advance dope. It has lost Fulton, Daniels and Insley, but the two teams of last year will probably come on again. By the looks of the teams now, the Dekes, Psi U.s and D. U.s will rank closely.

The Neutrals lack two of their former players, but have over a dozen new men to pick from.

TRIBUTE TO REV. T. F. JESSUP

At the fall meeting of the Presby- W. Brokaw '03, of the Utica First Theodore F. Jessup '64 resigned from the pastorate of the Boonville church after having served twenty-nine years. Upon the motion of Ralph W. Brokaw '03, of the Utica First Presbyterian Church, the resignation was accepted. An appreciation of Mr. Jessup's long and devoted service to the church was included in the deliberations of the afternoon.

At the same time the Rev. Emory L. Evans '90, of the St. Lawrence Presbytery, who has accepted the pastorate of the Mt. Vernon Presbyterian Church of Vernon, was accepted into the Utica Presbytery. Rev. Dana W. Bigelow '65, and Rev. Willard P. Soper '04 were elected delegate and alternate, respectively, to the Newburg Synod, October 17th.

HEATING SYSTEM FOR THE SWIMMING POOL

Yesterday men were on the Hill to start work on the new heating system for the Gym pool. When this is completed Prof. Myers, with the appropriation he received from the Trustees, hopes to tear out the steps in the pool to increase the swimming space. He is very much in favor of a swimimng team and a few improvements like this would make possible such an organization.

Swimming Team Probable

Under the new heating system it will be possible to heat the pool to any desired temperature. Pipes will be laid under the water along the edges which will discharge steam into the pool. This arrangement will no doubt make swimming more popular among the undergraduates. With regard to taking out the steps Prof. Myers is to consult with Mr. deRegt and Mr. Coughlin. Mr. deRegt knows how the steps were laid and how much of a job it will be to take them out. With the steps out there would be room for racing, and with sufficient interest from the students Prof. Myers would organize a swimming team.

Frosh Gapp seems to have left an awful space above the ears.

FLYING START FOR Y. M. C. A.

The campaign of the Y. M. C. A. for a large enrollment carried on Thursday night under the direction of Harold Dodge '18, chairman of the Membership Committee, resulted in nearly one hundred and sixty men handing in their membership cards. This is an increase of three hundred per cent. over last year's figures.

Teams of two or three visited the down Hill crowds, while Griffith '17 with five assistants took down the names in Commons. By this method the students were more thoroly canvassed than usual with the gratifying increase in membership. Moore, Jones, Holden, Donoghue, Brockway and Griffith were the leaders of the teams and they were assisted by Boyce, Hasbrouck, Woods, Eddy, Beach, Dodge, Meola, Jessup, Flesh, Bull.

William P. Welsh of Palmer, N. Y., and Booth H. Kenendy of Rutland, Vt., have been tapped for D. T.

EDITORIAL.

Life wishes to correct the statement appearing in its columns last week that the Trustees of the College had "lowered the entrance requirements." The requirements for entrance have been changed by the substitution of modern languages for Latin, but by no means lowered.

To the Freshmen.

Now that the Class of 1920, the largest, etc., class in the history of the college, is duly installed within our walls, the process of quickly assimilating the members thereof is the immediate problem before the undergraduates.

Life says to the entering men what has been said before: Start right by doing what you are told. Hold strictly to the "Hello Rule," being sure to be first with a wholesome "hello" to every man you pass, on or off the campus. Learn the names, first of your classmates, then of the rest of us, and do it quickly. Learn the college songs and cheers, and do it quickly. Get right into some activity, with hands, feet, heads and shoulders, and see how you can tear things up by perspiring your brains as well as your bodies. Make a ripping start and it will open the way to collegiate success. Hold, cling to your ideals, but don't stop there. Take a good jump towards them. There is an incomparable exhilaration in knowing that you've done a good job. Try it.

Harold G. Aron '09 is secretary of the New York State Hughes Alliance.

Couper '20 has been elected manager of the freshman track team.

BOOKS COME FAST TO NEW LIBRARY

Over Twelve Hundred Volumes Added During the Summer. Honor System a Success

NEW BOOKS ON THE WAR

Growth, Hamilton's present-day slogan, the signs of which are to be seen in the new chair of Political Science, the new Athletic Field, and the record-breaking Freshman Class, has also been felt in the College Library to which since last June more than twelve hundred volumes have been added.

At the left of the reading room Prof. Ibbotson has placed a collection of books on the European war by the best American and European authors. Books by Theodore Roosevelt and Irvin Cobb, and also reminiscences by men in the trenches are included in this collection. Among the other additions during the summer are several works on Political Science, Economics, and Literature, the transactions of the English Historical Society, the publications of the Camden Society, and also of the Selden Society, and the publications of the Royal Statistical Society of London and the American Statistical Society.

Honor System a Success

Prof. Ibbotson expresses his approval of the honor system. The students, he says, seem to realize that the library is made for their welfare, and the majority of the men in college are careful about returning books. Some men, however, are careless, especially with the magazines, and their failure to return the copies has caused the library considerable expense in replacing the lost publications.

Hereafter the library will not make bibliographies of prize essays or debates. Instead it is the intention of the librarian to help the student make his own bibliographies, and thus receive more personal benefit. Prof. Ibbotson also states that if any student desires a book which is not on the shelves of the library, if he will make out a card with the name of the book on it, sign his name, and leave the card at the desk, the library committee will, if it sees fit, purchase the book for the library. The librarian will be in his office every day, except Sunday, from two to six, to help students who need his assistance. Freshmen have been given copies of the library rules, and are now acquainted with the system of drawing books.

Griffith '17 takes the final examinations for the Rhodes scholarship at Albany this week, while Saunders '17 takes the preliminary examination.

Beeman, Couper and Fletcher are candidates for assistant track manager.

Scott '19 was stricken with typhoid fever Thursday and was taken to St Luke's hospital, Utica.

dates to keep in condition thru the winter. Lyon explained the new status of Lit. and solicited contributions from all the classes. Moore represented Life and, after telling of the competition system, advised every man in the entering class to get out and take a part in some activity. The list of undergraduate speakers was concluded by President Muir, who briefly told of the Y. M. C. A. plans for the year.

Prex Said Something

Then President Stryker arose, introduced by that short song which expresses more fully our affection for him and our appreciation of his talents than could volumes of epigrams and reams of funeral orations. Dr. Stryker's words may be summarized in one sentence quoted by himself: "Whatsoever thy hand findeth to do, do it with thy might."

A long cheer for '87 greeted 'Bob' Patterson. Mr. Patterson emphasized the words of several of the other speakers when he said, "The man who devotes his entire time to study is making a big mistake. The men who make the biggest success in life are those who have the most diversified interests. If you are going to make a success of your college course, take an interest in as many things as you can." Prof. Flippin was the last speaker and he dwelt on the fine impression the college had made on him, and of the advantages which it offered every man.

The men were then refreshed by ice cream and cake efficiently doled out by the Sophomores, and the reception closed with that old but ever new good-night, "Carissima."

"STOP THIEF" THE CRY FOR CHARLATANS

(Continued from p. 1)

will probably be given in one of the larger theatres intsead of in the unsatisfactory New Century Auditorium.

In regard to coaches there is still some indecision. If terms could be arranged, President Baumer would like to engage Mr. Frank Lee Short. However, Walter Peck '01, who has taken up professional coaching, is being thought of, as is also Mr. Stirling, former leading man in the Shubert Players, who has instituted a dramatic school in Utica.

Try-Outs in November

"Stop Thief," the probable production of the year, is a roaring farcical comedy much on the order of "Offifficer 666." In 1913 it was produced by Cohan and Harris at the Comedy Theatre in New York City, with Vivian Martin as the star, and enjoyed a very good run.

President Baumer has dated the try-outs for the first week of November, and will start vigorous rehearsals shortly after the close of the football season.

rapid improvements. Soon the paper will be increased from 4 pages to 8, with much added news to interest the general public and the boys. This sheet is now published in Auburn, Ithaca, Seneca Falls and Geneva, and promises to increase its circulation three-fold.

Divisions of Labor

The organization during the summer has divided itself for effiifficiency reasons into three departments. The Expansion Department, under 'Sub' Donoghue '17; the Administration, which has to do with the program, policy and finance of the Pioneers, under Jessup '18; and the Consolidation, to bring the separate troops more closely together, under Huntsman '18. Two new men have been added to the Executive Board, Kennedy '19 and Lee '20.

Griffith, stating the aim of the Pioneers for the year, says, "Our aim is to raise enough money to get ahead another year, and to get troops in every state of the union."

Boyce '17 organized a troop in Laurens this summer, and Goodenough '15 has written from Crescent City, Ill., for information.

HUGHES CLUB ORGANIZED

With a crowd that packed Silliman Hall to the doors, and with shouts and cheers that voiced the supoprt of the undergraduates for the Republican presidential candidate, the Hamilton College Hughes Club was organized Saturday afternoon.

Griffith called the meeting to order. "Jim" Thompson was nominated for president and the mention of his name was received with wild enthusiasm. The election was made unanimous. Griffith was elected vice-president; Flesh, secretary; Moore '17, treasurer, and to give the organization an official status, the Hon. Elihu Root was chosen honorary president and Prof. Davenport, the Hon T. R. Proctor and Dr. M. W. Stryker as honorary vice-presidents.

The executive committee is composed of Hamlin, Weed, Ives, Gilbert, Muir, Bristol, VanAuken and Griffith.

Thompson has promised to head a torchlight procession to Clinton, and will make several stump speeches for the edification of the villagers. The entire club will go to Utica when Hughes speaks there in a couple of weeks. In the meantime a campaign of education will be carried on among the undergraduates. Donohue seems visibly worried despite his stubborn denials.

Jessup '18 will leave college shortly to tutor at Newport, R. I. While absent he will keep up his college work, returning in January in time to take the examinations. He expects to reenter with his class for the sceond term.

Welsh '19 is out for football.

Y.M.C.A. MAKES PLANS; BIBLE CLASSES BEGIN

February Revival to be Preceded by Financial and Social, as Well as Religious Work.

Y. M. C. A. plans for the term are well summarized in the Y. M. C. A. and football schedule recently issued by the association. September activities include the opening reception to freshmen, Dr. F. M. Davenport's speech, and the financial campaign now under way. For October some social event and a Sunday address by Rev. W. P. Soper '04 are promised. Bible classes were organized last Sunday. Mid-week prayer services commence in November. December is of special interest, for the association college dinner and service preparatory to the February meetings wil be held in that month. Another address, to be given by Dr. F. H. Wood, is scheduled for January. The activities of the semester are wound up in the same month by deputation work.

Bible Classes Meet

The freshman and sophomore Bible classes of the Y. M. C. A. will meet for the first time Sunday in Silliman Hall after chapel. Dr. Wood will have the freshmen and Prof. Flippin the sophomores, who will probably use Fosdick's "The Manhood of the Master." The book for the freshmen has not yet been definitely decided upon, but will be announced within a few days.

The upperclassman Bible class will meet on weekday nights. Prof. Ibbotson will be in charge and will give a course entitled, "Old Testament Documents or Old Testament Stories." No text book will be used.

CAMPUS IMPROVEMENTS

Bursar Coughlin announces that several improvements have been made on the campus. A new set of bleachers, seating 200, has been purchased for Steuben Field. It will be in place for the first football game. Work on the baseball diamond has been completed, so that it will favorably compare with the best college diamonds in the state. A new heating apparatus wil provide live steam for the Gym pool. 150 new chairs for entertainments in the Gym will no doubt please Latin-play goers.

Repairs have also been made on the Kirkland Cottage and Knox Hall.

Percy L. Wight '91, former principal of Clinton High School, is now teaching in Greenwich, Conn.

Albert L. Blair '72 was on the Hill last week on the way home from a three-month speaking tour in Iowa, South Dakota and other western states. He has been with the Coit Lecture Bureau this summer and next season will appear with the Keith-Vawter-Redpath Chautauqua people.

Team Goes to New York City For Opening Game of Season

Saturday at New York Hamilton, in the opening game of the season will renew football relations with Columbia after a lapse of ten years. With nearly all of Columbia's varsity material back, indications are that the Buff and Blue will have a strenuous afternoon. Reports come from New York that Coach Metcalf is rapidly whipping his men into shape for the opening by hard scrimmages with the scrubs, thru which the varsity has little trouble in gaining. Other cheering news for Columbia is that their 240 pound veteran right guard, Jimmy Cleveland, will be able to get into the game by reason of having successfully passed a deficiency examination. Donaldson, another veteran, has yet to hear the result of his make-up exam. Quarterback Howard Miller has been running the eleven in fine shape.

The probable lineup of the Columbia players is as follows: le, Glauber; lt, Capt. Jeff Healy; lg, Donaldson; c, Brown; rg, Noble; rt, Raegener; re, Donnell; qb, Miller; lhb, Zychlinski; rhb, Rosen; fb, Hegeman.

Tennis is Popular; 35 Men Entered

The annual fall college tennis tournament is now under way with 35 contestants, the freshman class supplying 23 of the men. This is the largest tournament in years. With the new talent in college and with Groves '16, the winner of last year's tournament graduated, the outcome is uncertain. Welsh, who was runner-up last season, will be a strong contestant for the finals unless football prevents. Owing to the rainy weather, and the subsequent condition of the courts, only five matches have been played off as yet. In the first round, Rice '20 defeated Warfield '20.. In the second round Ingersoll '20 defeated Hunt '20, 7-5, 7-5. Stone '19 defeated Guy '20 6-3. Ives '19 defeated Powers '18, 6-3, 6-0, and Seaver '17 defeated Link '18. If the weather permits, the finals should occur the last of the week. Each entry try has deposited 25 cents, the sum to be used for a prize for the winner.

The Contestants

The following are the entries: 1917, Seaver, Orr, Jones, Miller; 1918, Link, Jessup, Calkins, Powers; 1919, Stone, Welsh, Ives, Morrow; 1920, Hunt, Brown, Jewett, Finnegan, Romer, A. Stackhouse, Ritterbusch, Brandt, MacLachlan, Guy, Allen, Kneeland, Warfield, Lochner, Brewer, Fletcher, Couper, Longstaff, Cobb, Tower, Cooper, Keane. The matches are to be the best two out of three, except the finals, which are the best three out of five.

GETMAN A BENEDICT

Dr. Albert A. Getman '11, of Syracuse, was married on Sept. 23rd to Miss Louise S. Doolittle of Utica, at St. Andrew's Church, Utica. After Nov. 1st the couple will be at home at 317 Highland Avenue, Syracuse.

The Press Club met Monday night in the law room of the library and talked over plans for the publicity campaign during the coming year.

Baseball Squad Will Test New Material

A series of five baseball games this fall between the freshmen and the remainder of last year's squad, is Captain Behan's plan for getting the jump on the 1917 baseball season, and finding out what likely material 1920 possesses. One-half of last year's regulars are not in college, but "Joe" figures that with the freshman candidates and last year's subs he will be able to put a team on the field that will compare favorably with former Hamilton teams. The Gows in the outfield and "Artie" Miller in the backstop position will be missed most, while the second and third sack jobs are also open. Whitman and Schwartz will attend to the pitching, seconded by Behan, Cavanaugh and Peck. Captain Behan plans to play off the games before the bleachers are put up for the first home football game, October 21.

ON HAMILTON'S SCHEDULE

Alfred 27; Rochester 0.
Williams 31; Rensselaer 6.
Middlebury 5; Union 0.

CLUBS TO START WORK SOON, SAY LEADERS

(Continued from p. 1)

tomary sporadic trips into the neighborhood will be repeated. Binghamton and Tonawanda are among the places which have requested Manager Donoghue to bring the clubs back again, while Buffalo may be visited along with Watertown and Ogdensburg.

The "famous Hamilton College quartet" will reappear and Weed will again sing the solos. The number of new men on the clubs will be about the same as last year. Try-outs will be held within a week.

Frederick W. Griffith '86, of Palmyra, and Thomas F. Proctor, of Utica, college trustee, were nominated as presidential electors at the New York State Republican Convention at Saratoga Springs, Thursday.

1918 YEAR BOOK BOARD ON THE JOB

Ludlow, New Editor, Plans Detailed Work of Improvement. Peck Ambitious to Set a Record. White Retained.

As usual, the Board of the 1918 Hamiltonian have announced that this year's book will be "bigger and better than ever," but of course no one will believe it till he sees the book. Owing to the absence of Jessup from college for some time, Ludlow, former associate editor, will edit the volume. Flesh has been elected as associate editor to fill out the vacancy on the board.

Out For a Record

The board does not plan any revolutionary proceedings nor will they depart from the patterns set by former years to any marked degree. They will concentrate their energies on improving every detail which is included between the covers of their new pictures and drawings. Employing two new methods of procuring advertisements, Manager Peck is attempting to beat the record set last year to make the book a paying proposition.

White the Photographer

The contract for the photographs has again been let to White of New York who gave such great satisfaction last year. Childs of Utica has the preference for the printing of the book.

The Board consists of the following: Ludlow, Editor-in-Chief; Peck, Business Manager; Root, Assist. Bus. Manager; Flesh, Assoc. Editor; Calkins, Huntsman, Bull, Hasbrouck, Link, Asst. Editors.

Manager Peck has called for candidates for the managership.

SCHOLARSHIP HONORS

The scholarship honors for the past year and for the incoming class, announced in chapel Friday morning, are as follows:

Class of 1920: Candidate for Maynard Entrance Prize, Couper; candidate for Brockway Entrance Prize, Rosenthal; Fayerweather Scholarships, Couper, Lopardo, Rosenthal, Thorpe and Turner; Vrooman Prize Scholarship, Gorman.

Scholarship Honors for Year 1915-16

1917: High Honor, Campbell, Griffith, Hamlin, Saunders and Truax. Honor, Hood, J. A. Jones, Lyon, Miller, Moore. Credit, Brockway, Dise, Emeny, Leonard, Meola, Muir, Seaver, Young.

1918: High Honor, Hasbrouck, Jessup. Honor, Bull, DeSantis, Dodge, Link, Roberts, Yeandle. Credit, Briggs, Bruins, Hawks, Ludlow, Peck, Timmerman.

Cheering practice every Thursday afternoon at 4:30. Freshmen must be present.
